

COMMIT WORKERS' COMPENSATION FRAUD AND GET A NEW ADDRESS.

YOU CAN'T WIN BY CHEATING. In fact, you just might go to jail. If you are convicted of workers' compensation fraud, you could receive up to five years in state prison and a fine of \$150,000 or double the value of the fraud, whichever is greater.

If you commit a false act in order to obtain payment benefits you are not entitled to, you could face serious consequences.
